

Arch Drumbeat

Elevate Your Fuel Operations with Arch Fuel's Latest Integrations!

We are excited to announce that Arch Fuel, in partnership with BB Software Development, now integrates seamlessly with both the FNB MiniPOS and the DOMS forecourt controller, positioning Arch Fuel in a class of its own.

The FNB MiniPOS integration offers you the following:

- ABSA loyalty programs - ABSA rewards at Sasol
- Nedbank loyalty programs - Nedbank Greenbacks
- FNB loyalty programs - eBucks, Shell V+ Cards, Clicks ClubCard

And with our new DOMS controller integration, you can now access:

- Interfaces to 24 Automatic Tank Gauges (ATGs)
- Compatibility with 78 different pump and dispenser brands and types
- Support for price poles

These integrations significantly enhance your operational capabilities and customer engagement strategies.
